SOUTH CAROLINA

SOUTH CAROLINA
YOUTH LEADERSHIP FORUM

Presbyterian College

July 23-26, 2023

WHAT IS YLF?

- Able SC offers an immersive 4-day-and-3-night leadership experience for youth, ages 15-23, with disabilities living in South Carolina.
- Delegates selected for SC YLF will stay on the Presbyterian College campus and spend their time learning and building upon existing leadership and advocacy skills, hearing from nationally recognized guest speakers, and meet peers from across the entire state.
- Sessions are designed to give youth the tools to become leaders in their communities and focus on building self-advocacy and employability skills, in a fun and supportive environment.
- The SC YLF chapter is recognized by the national Association of Youth Leadership Forums (AYLF). Alumni of SC YLF have served on boards of nationally recognized organizations, participated in disability awareness training for a number of business and educational entities, and provided testimony at South Carolina legislative hearings related to disability rights, to name just a few achievements.
- Grant and sponsorship support provides critical funding to provide the Youth Leadership Forum at no cost to delegates.

Change Maker—\$5000 Presenting Sponsor

- Recognition as the **"Presenting Sponsor"** both in person and in all publicity, staff and delegate t-shirts, delegate bags, and program signage
